AERONAUTICAL INFORMATION CIRCULAR

AIC A006/12 is hereby replaced.

Payment of Common User Terminal Equipment (CUTE) Fees

The Civil Aviation Authority of Zimbabwe (CAAZ) would like to advise all Airlines using the CUTE system that the Authority started billing CUTE fees on 1st November 2008. The initial arrangement was that payment was supposed to be done through National Handling Services (NHS) but due to concerns by Airlines it was agreed in the meeting of 27 October 2010 that billing was to be done by CAAZ. It has been noted that despite this agreement some Airlines are not paying the CUTE fees hence compromising the service. The Authority expects all Airlines to pay so as to provide uncompromised CUTE service.

The Authority would like to notify all Airlines through this circular that with effect from 1st July 2012 all outstanding amounts which were due to CAAZ should be paid directly to the Authority. The Civil Aviation Authority of Zimbabwe would like to further notify all airlines through this circular that with effect from 1st July 2012 CUTE fees shall be charged directly to airlines.
