## AERONAUTICAL INFORMATION CIRCULAR

AIC B002/94 is hereby replaced.

### Flight Tests and Flight Planning

All candidates undergoing flight test examinations, conducted by the Authority's Operations Officers are requested to fill in the aircraft registration box with either EXAM01 or EXAM02.

The aircraft's registration and the remark 'flight test' should be put in the additional information column of the flight plan.

It is hoped that by identifying the aircraft as EXAM01, it will be assisted readily when Air Traffic Services becomes busy.
