AERONAUTICAL INFORMATION CIRCULAR

FLIGHT TEST AUTHORIZATION

AIC B005/00 is hereby replaced.

In an effort to enhance efficiency and be responsive to the dynamics of the industry, the Authority has decided that with effect from the date of this AIC, Flight Test Authorizations will only be required for:

- i) Initial issue of licences or ratings
- ii) Reissue of expired or lapsed licences or ratings
- iii) Renewal for examiner ratings

Designated examiners may undertake flight test for renewal of ratings and licences after ensuring that all requirements as published have been complied with. Examiners shall not examine the same licence holder on two consecutive tests or a student who he/she has instructed for the purpose of that renewal.

Applications for tests that still require authorization shall be submitted to the Personnel Licencing Department on e-mail: licencing@caaz.co.zw and fax 585107 or 585100 allowing three working days notice.
