UPDATED PERSONAL FLYING LOG BOOK FOR AIRCRAFT OPERATING CREW (CA FORM 142)

In line with the Civil Aviation (Air Navigation) Regulations 2010, the CAAZ has reviewed and updated the format and content of the Personal Flying Log Book (CA FORM 142).

The logbook can now be used by:

- i) Cabin crew/ cabin attendant
- ii) Flight engineers
- iii) Flight navigators
- iv) Pilots

Distinct columns are now provided for Flight Instructors and Flight Examiners among other changes. These changes are meant to make compliance with PART 2 of the ANR much easier for operating crew.

The logbooks may be acquired via the CAAZ Finance Receiving Office at Harare International Airport.

Attached is a specimen new logbook.

D. Chawota
General Manager
