AERONAUTICAL INFORMATION CIRCULAR

INTERIM AERODROME CERTIFICATE

The operator of an aerodrome intended for public use shall, in accordance with the aerodrome regulations, be in possession of an aerodrome certificate.

The aerodromes certification in Zimbabwe shall be issued according to ICAO Doc 9774 Manual on Certification of Aerodromes as amended.

All airports in the process of complying with these requirements are required to hold an Interim Aerodrome Certificate upon completion of the application procedure for the grant or transfer of an aerodrome certificate.

The grant of the Interim Certificate is in the public interest and shall not be issued in instances where aviation safety is compromised.

An Interim Aerodrome Certificate issued pursuant to these regulations shall expire on:

- a) The date on which the aerodrome certificate is issued or transferred; or
- b) The expiry date specified in the Interim Aerodrome Certificate.
